OUR VISITORS—CREWE ALEXANDRA

Of the finest scarlet red are Crewe, shirts and shorts and stockings too . . .

We greet this long established club (formed 90 years ago as a winter offshoot of a cricket team), and welcome to Deepdale the modern successors of the side beaten here by 7—1 in a friendly in 1885, this being Crewe's only previous visit.

Three years later North End beat Crewe in the semi-final of the F.A. Cup at Sheffield, but a week before the Final of that season (1887-88), in which West Bromwich Albion routed the prophets with a shock 2-1 win at Kennington Oval, Crewe on their own ground had the honour of ending a record run of 42 consecutive victories by the Preston "Invincibles", starting after a defeat in the opening match of that season. They drew 1—1.

Crewe were one of the original 12 members of the League Division II, in 1892, a year before becoming a professional club, but after four seasons lost their place through failing to gain re-election, and did not return to the fold until the Third Division Northern Section was formed in 1921.

Crewe have gained three victories in five Fourth Division matches this season, the latest their 3-0 triumph at Chester on Saturday.

In the League Cup first round they scored the only goal in a home tie with local rivals Stockport County.

CREWE PLAYERS

On the small side but very agile and last season played in all Crewe's first team games.
